

**GOVERNMENT OF THE DISTRICT OF COLUMBIA**  
**ADVISORY NEIGHBORHOOD COMMISSION 3B**  
**GLOVER PARK AND CATHEDRAL HEIGHTS**

**Resolution Recommending No Changes to the D2 Bus Line  
and Expanded Service on the D1 Bus Line**

**Commissioner Cohen introduced the Following Resolution:**

*Whereas*, the D1 and D2 bus lines are vital mass transportation links for Glover Park residents; and

*Whereas*, the Washington Metropolitan Area Transit Administration (WMATA) has been reviewing the D1 and D2 bus line service, and has noted the possibility of extending the D2 bus line route from its current endpoint at Dupont Circle to a new endpoint at Union Station.

*Whereas*, ANC 3B has received public input on this change at a February 24 public forum and through other sources; and,

*Whereas*, Residents of Glover Park and other D2 bus riders have overwhelmingly opposed an extension of the D2 bus line, fearing that it would have a significant adverse impact on reliability;

*Whereas*, Glover Park residents and other residents have also indicated the need for expansion of the hours and frequency of the D1 bus service;

*Therefore Be It Resolved*, Advisory Neighborhood Commission 3B (ANC 3B) hereby recommends that WMATA make no changes to the D2 bus route.

*Further Be It Resolved*: ANC 3B hereby recommends that WMATA extend the hours and frequency of the D1 bus route.

**The Resolution was Properly Seconded and Passed \_\_\_\_\_ by a vote of \_\_\_ to \_\_\_\_.**
