ANC 3B Resolution to Support Permanent Bus Shelter on Western Side of Wisconsin Avenue and Fulton Street

Whereas Glover Park and Cathedral Heights have limited access to metro-rail and rely on WMATA bus service.

Whereas the 30s bus routes has one of the highest riderships, with over 15,000 daily boardings.

Whereas the shelter provided bus the WMATA bus stops helps to protect against exposure to rain, heat, sun, and inclement weather.

Whereas the width of 30s bus stop at on the western side of Wisconsin Avenue and Fulton Street is consistent with the width of other stops nearby that have shelters.

Whereas there are no bus shelters on the western side of Wisconsin Avenue between Cathedral Avenue and 34th Street in Georgetown, a distance of a mile and a half.

Whereas increasing the level of comfort for riders will likely attract more passengers.

Whereas according to the District Department of Transportation, there is a sufficient number of daily boardings at the Wisconsin Avenue and Fulton stop.

Therefore be it resolved that ANC 3B supports the installation of a permanent bus shelter at the stop on the western side of Wisconsin Avenue at Fulton Street, NW.

The resolution was APPROVED by a vote of 4-0 on February 9, 2012.
