ADVISORY NEIGHBORHOOD COMMISSION 3B  
GLOVER PARK AND CATHEDRAL HEIGHTS

**ANC 3B Resolution Supporting Parking Accommodations  
for Stoddert Elementary Teachers and Administrators**

*Whereas* DCPS will be installing classroom trailers at Stoddert Elementary to address space issues caused by high student enrollment for the 2014-2015 school year.

*Whereas* These trailers will result in the loss of parking spaces for teachers at Stoddert Elementary.

*Whereas* Stoddert Elementary teachers and administrators perform a valuable community service for families in Glover Park and Cathedral Heights.

*Whereas* Stoddert Elementary teachers and administrators require parking spaces close to the school because they transport large quantities of materials and because there is no metro service in Glover Park, and therefore no convenient mass transit accessibility for teachers and administrators traveling to Glover Park from Virginia, Maryland, and many parts of the District.

*Whereas* teachers and administrators who do not live in Ward 3 cannot currently park on the street during the school day because the streets surrounding Stoddert Elementary have Residential Parking Permit rules in effect.

*Whereas* Glover Park does have significant parking shortages, but these shortages occur primarily in the evening hours, not during school hours, and there are ample street parking spaces available near Stoddert Elementary during school hours.

**Therefore, be it resolved that ANC 3B supports and asks DDOT to provide Stoddert Elementary annually, until parking spaces on-site are returned to use for teachers' and administrators' parking, with special permits that allow teachers and administrators to park on neighborhood streets in ANC 3B between 8 AM and 4 PM, or to identify other accommodations that can be made to ensure that teachers and administrators who need parking can park close to Stoddert during school hours.**

The resolution was **PASSED** by a vote of **4-0** on **July 10, 2014**.
