GLOVER PARK AND CATHEDRAL HEIGHTS

April 12, 2018

Ms. Betty Hester
Permits Officer
DC Department of Parks and Recreation
1250 U Street NW
Washington, DC 20008

Dear Ms. Hester:

On behalf of ANC3B, I would like to thank the Department of Parks and Recreation (DPR) for its longtime support of Glover Park Day. This annual event, now in its 29th year, could not happen without the cooperation of the District government.

I am writing to advise you that Advisory Neighborhood Commission 3B has once again voted its full support for Glover Park Day to be held on Saturday, June 2 at Guy Mason Recreation Center playground as usual. Further, ANC3B endorses the sponsorship of Glover Park Day by Glover Park Citizens' Association, Friends of Guy Mason, and Friends of Glover Park.

Each of the sponsoring organizations operates on a non-profit status and is staffed by volunteers. All three make many valuable contributions to the quality of life and civic engagement in Glover Park. Friends of Guy Mason partners with the District to maintain and support the playground, ball field and activities at Guy Mason Recreation Center. Friends of Glover Park helps support local projects and activities that benefit the entire community. The Glover Park Citizens' Association was founded in 1924 as a membership organization for the improvement of the community. And for 29 years now, all three have worked together to sponsor the annual celebration of community known as Glover Park Day.

We hope that the cooperation the neighborhood has received from DPR in the past will continue this year and far into the future. We appreciate your support and involvement. Please feel free to contact me with any questions or concerns. Thank you.

Sincerely,
