Resolution on D.C. Gay Marriage Proposal. Commissioner Cohen presented a resolution to urge the D.C. Council to pass the Religious Freedom and Civil Marriage Equality Amendment Act of 2009. Issues Related to FY 2010 School Budget Cuts. Commissioner Cohen presented a resolution urging the Mayor to reverse the recently announced budget cuts and restore full funding to Stoddert Elementary School. School officials had recently cut funding to all schools but not equally. Stoddert was hit particularly hard (down \$400,000) because its budget also had to absorb moving to the temporary school during renovations on the permanent facility. The cuts included laying off two teachers: a new reading specialist and a Spanish teacher. It was moved, properly seconded and passed by unanimous consent. The resolution is attached to these notes.

Owners of Gin & Tonic were on hand to request a change in the hours for their liquor license. Gin & Tonic inherited from The Grog & Tankard, their ABRA license and a Voluntary Agreement with ANC 3B. Their current ABRA license requires everyone to be out of the bar by 1:30 AM, Sunday through Thursday and 2 AM on Friday and Saturday nights. The other bars on our strip have ABRA licenses that extend from 2 AM, Sunday through Thursday and 3 AM on Weekends. The owners would like to be in line with the other establishments in Glover Park and are asking for ANC 3B's support.

The question of their Voluntary Agreement was raised. It turns out the VA with the Grog & Tankard was very old and only dealt with trash issues. This needs to be updated and Commissioner Blumenthal said that she would get together with the owners to begin this update.

Commissioner Lane said that the request to extend Gin and Tonic's hours would be put on the November agenda. Because it deals with ABRA, the community will need to be informed and comments solicited. Consequently, the ANC may not come to any conclusion regarding Gin and Tonic's request until December.

Checks written were \$262.06 for telephone services, \$300 in grants and \$48.86 for bank fees. This left an ending balance of \$26,835.95

All financial reports were moved, properly seconded and passed by unanimous consent.

ANC 3B Resolution on Circulator Bus Service in Glover Park

Whereas The residents and businesses of Glover Park are highly dependent upon frequent, reliable bus service.

Whereas The Circulator bus service provides an important link between Glover Park and other parts of Washington DC, and is an important supplement to existing bus service.

Whereas DDOT considered cutting Circulator bus service, but ultimately reversed this decision.

Therefore, ANC 3B thanks DDOT, Mayor Fenty, and Councilmembers Evans and Cheh for their efforts to retain this service.

Furthermore, Extending the Circulator route a short distance to Calvert Street would provide better service for Glover Park resident, more customers for local businesses, and more riders for the Circulator Bus.

Therefore, ANC 3B requests that DDOT consider extending the existing Wisconsin Avenue Circulator bus route to extend north to Calvert St.

This resolution is approved by ANC 3B by a vote of 4 to 0 on October 8, 2009.

ANC 3B Resolution on Stoddert Elementary School Budget Cuts

Whereas Stoddert Elementary School is a critical Glover Park institution, housing approximately 300 students from pre-K through 5th Grade.

Whereas District of Columbia Public School officials have cut Stoddert Elementary's budget by approximately \$400,000.

Whereas These cuts will have a significant impact on academic programs at Stoddert Elementary.

Whereas Stoddert Elementary is currently undergoing a significant transition, with a new principal and students housed in a temporary building.

Whereas, The announced budget cuts will exacerbate the difficulty of this transition, affecting academic opportunities for hundreds of families in ANC 3B.

Therefore, ANC 3B urges Mayor Fenty, the District of Columbia Public Schools, and the City Council to reverse the recently announced budget cuts and restore full funding to Stoddert Elementary

This resolution is approved by ANC 3B by a vote of 4 to 0 on October 8, 2009.
