Updates and Information

- DDOT Bike Planning Team is preparing materials to present to the community about possible safety improvements to the bike route on New Mexico/Tunlaw/37th Street, per DDOT's 2019 Livability Study. The current plan is for DDOT to make a presentation at the January ANC meeting.
- WMATA draft budget for FY2022 based on funds available would call for 30-minute spacing between trains on weekdays, no weekend Metrorail, and reduction of Metrobus routes from the current 60 to 41, which WMATA says will cover the same areas. WMATA will schedule hearings and public comment period in the new year, before a scheduled vote on the final budget in March to go into effect on July 1, 2021.
- Extension of 2020 RPP and Visitor Parking Permits into the new year because of the COVID-19 emergency.
