SPECIAL: Presentation from the DC Council to Outgoing ANC Chairman Brian Cohen

DISCUSSION OF THE PROPOSED ACQUISITION OF PEPCO BY EXELON

In November, the ANC heard from Pepco in support of the plan for the utility to be acquired by Chicago-based Exelon Corporation, and from the Office of the People's Counsel, the public advocate for utility ratepayers in DC, which opposes the proposal unless additional conditions are adopted to govern the acquisition. Tonight we will hear from Robert Robinson representing the Grid 2.0 Working Group, which advocates for more reliable, less expensive, cleaner and safer energy alternatives and opposes the acquisition of Pepco by Exelon without significant modifications to the proposal.

ANC3B plans to take a position on the acquisition at its February 12 meeting. **To learn more about the proposal**, see: opc-dc.gov, pepcoholdings.com, exeloncorp.com, grid2point0.org

UPDATES ON ONGOING ISSUES

- DC Water plan for repair of sewer pipes in Glover-Archbold Park
- Concern about DDOT not responding to recent ANC3B resolutions RE removing “no left turn” signs at southbound Wisconsin Avenue and Calvert Street and also removing the curb cut at 3527 W Place NW (both adopted October 23, 2014).
