Dear Ms. Thompson:

I am writing on behalf of ANC3B, which serves Glover Park and Cathedral Heights, in support of the Certificate of Need application submitted by MedStar Georgetown University Hospital. We have no objection to the relocation of MGUH's OB/GYN and Internal Medicine office practices to 2233 Wisconsin Avenue NW, here in Glover Park.

At a duly noticed virtual meeting of ANC3B held on January 21, 2021, the Commission heard from MedStar Health representatives. Both the Commissioners and the community were offered the opportunity to raise questions or concerns about the relocation. The consensus was unanimously in favor of welcoming MedStar to our neighborhood.

At the conclusion of the presentation, all five commissioners of ANC3B voted in favor of sending this letter of support. We urge you to approve MedStar's Certificate of Need application.

Please feel free to contact me with any questions or follow-up needs. Thank you.

Sincerely,

Jackie Blumenthal
