Police Report

Resolution to Change the Glover Park Liquor License Moratorium

The moratorium on issuing liquor licenses in Glover Park was established in 1999 to deal with issues of peace, order, quiet, litter and parking caused by an over-concentration of establishments licensed to sell alcohol, and to help maintain a balance of goods and services in the commercial district. The ANC is proposing to change the moratorium on issuing new licenses to pertain only to taverns, nightclubs and retail liquor stores.

Resolution to Amend Settlement Agreement with Mad Fox Tap Room

Mad Fox is seeking an amendment to its agreement with ANC3B to allow live music or DJ music on special occasions as follows: New Year's Eve 2015; Mardi Gras 2/13/16; Mad Fox Anniversary 8/19/16; Oktoberfest 10/1/16; Halloween 10/29/16; Thanksgiving Eve 11/23/16; New Year's Eve 2016. Events would be limited to 6 per year; closing hours would remain the same (1 a.m. on weeknights; 2 a.m. on weekends); DC noise restrictions will apply.

Resolution Regarding Need for an Emergency Winter Homeless Shelter in Ward 3

With the location at St. Luke's no longer available, homeless men in our area will have no easily accessible shelter available during hypothermia alerts. As of now, the only place they can go to avoid freezing weather this winter is across the park in Columbia Heights. ANC3B will be requesting the District Department of Human Services to quickly arrange a better option in Ward 3.

Resolution Regarding Public Space Application from Embassy Church

Embassy Church at the corner of Massachusetts Avenue and Idaho Avenue is seeking permission to use public space for a parking lot. ANC3B abuts the area in question and supports our neighboring ANC3C in their opposition to turning green space into blacktop.
