

GOVERNMENT OF THE DISTRICT OF COLUMBIA
ADVISORY NEIGHBORHOOD COMMISSION 3B
GLOVER PARK AND CATHEDRAL HEIGHTS

ANC3B Public Meeting Agenda
Thursday, November 18, 2021 7:00 pm
(This will be a “virtual” meeting – See instructions below)

Police Report

Presentation of Request for Zoning Variances at 2405 37th Street (BZA Case 20542)

The proposed project would raze the existing detached home on the property and construct three new attached structures on that lot and the yard next to it, with 6 units, two stories per unit, roof decks for each of the 3 top units, and underground parking for 9 vehicles. The owner has applied for zoning variances for the project, since the R-3 zone does not allow two principal units in a residential structure and the three new lots and structures would also be less than the required 20-foot width.

Resolution on DDOT Proposals for Bicycle Lanes on New Mexico Avenue/Tunlaw Road/37h Street

In the ANC3B public meeting on October 14, DDOT asked the Commission to provide a statement of what it could support or not support for bicycle lanes on the corridor south of Calvert and also north of Calvert, before the agency goes ahead with developing additional drawings and other details on the options to share with the ANC and the community. ANC3B plans to consider a resolution to send to DDOT to express the Commission's positions to respond to those questions.

Resolution on DDOT Fast Tracking for “Vision Zero” Projects

On October 8, DDOT Interim Director Everett Lott announced new policies to expedite traffic safety improvements, through adjustments in DDOT’s policy on handling service requests and supporting documents from residents and ANCs. The Commission plans to consider a resolution to send to DDOT on the announced changes, especially as they affect requests for traffic calming.
