**Police Report**

- Request to improve pedestrian safety at the intersection of W Place and Wisconsin Avenue
- Request regarding speeding on 3800 block of Davis Place

**Discussion Regarding Liquor License Application by Trader Joe's**

Perry Zettersten, Regional Vice President of Trader Joe's, will discuss plans for the market to open in the development at the old Holiday Inn site and request ANC support for a Class B (retail, beer and wine only) liquor license. The ANC will open a public comment period to hear from the community and will act on the request for support at its November 2 meeting.

**Zoning Application for Domino's at 2330 Wisconsin Avenue NW (BZA Case No. 19600)**

At the ANC3B September meeting, Domino's explained plans for an eat-in, carry-out and delivery operation in half the space left vacant when the El Salvadoran Consulate moved. All fast-food operations applying to open in the Glover Park commercial district require a special exception from the DC Board of Zoning Adjustment, and the Domino's application requires a variance as well. The ANC requests comments from the community before taking a vote at its November 2 meeting. (The BZA hearing is November 8.)

**Resolutions Regarding Pedestrian/Vehicle Safety at W Place, Fulton Street, and Davis Place**

The ANC will take up three resolutions asking DDOT to take steps to improve safety:

- to address traffic speed and parking congestion at the intersection of W Place and Wisconsin Avenue
- to investigate pedestrian safety at the intersection of Davis Place and Tunlaw Road
- to formalize a previous request to DDOT to remove two parking spots on southbound Wisconsin Avenue north of Fulton Street to improve sight-lines for anyone approaching Wisconsin Avenue from the west

**Updates** As needed
