Police Report

Department of Parks and Recreation and Guy Mason Recreation Center Hours

DPR Director Keith Anderson will report on the decision by DPR to reduce hours at Guy Mason Recreation Center, which was made without regard for ongoing programming and with no consultation of the community. ANC3B has protested this unilateral decision.

Development of the Former Holiday Inn Site

Representatives of the JBG Companies will talk about their plans for a residential-retail complex along Wisconsin Avenue and Whitehaven Street and take questions.

Clean Team Presentation

Glover Park has been designated as a location for a Clean Team project by the Department of Small and Local Business Development. Graham McLaughlin of Changing Perceptions DC, a group that plans to submit a proposal to provide regular clean-up, shoveling, tree box care and other maintenance duties in Glover Park, will present their plans and learn about our needs.

Grant Request from Friends of Glover Park Recreation Center

Friends of Glover Park Rec Center will submit a request for a grant to buy sports equipment for use by the community at the Glover Park Community Center.

Resolution to Protest the Renewal of Mason Inn's Liquor License

Mason Inn's license is up for renewal and owners have said they would prefer ANC3B to file a formal protest rather than negotiate a modification to the current Settlement Agreement outside of the protest process. ANC3B seeks only to add a provision to the agreement requiring Mason Inn to keep its front windows closed when it has live entertainment performances.
