

GOVERNMENT OF THE DISTRICT OF COLUMBIA
ADVISORY NEIGHBORHOOD COMMISSION 3B
GLOVER PARK AND CATHEDRAL HEIGHTS

RESOLUTION TO RESTORE PARKING DURING MORNING RUSH HOURS
ON NORTHBOUND WISCONSIN AVENUE

Whereas, parking during morning rush hours was permitted on the east/northbound side of Wisconsin Avenue until 2012 when the number of lanes on Wisconsin Avenue between 34th Street in Burleith and Calvert Street in Glover Park was reduced from six to four;

Whereas, in 2014, all six lanes were restored to their original use for parking and travel;

Whereas, the restriction against parking during the morning rush hours on the east/northbound side of Wisconsin Avenue was not lifted when the street was restored to its original lane configurations;

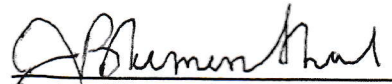

Whereas, businesses in Glover Park such as Monarch Paint, Bruegger's, Einstein Bros Bagels, and Ace Hardware, which have significant morning activity, have reached out to ANC3B requesting restoration of the morning parking their clients used to have on Wisconsin Avenue;

Whereas, parking in the neighborhood and in parking lots is extremely limited in Glover Park, and businesses are being hurt by the lack of available on-street parking;

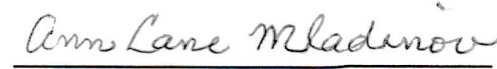

Therefore, ANC3B hereby RESOLVES to ask DDOT to immediately remove the morning rush hour parking restrictions on the east/northbound side of Wisconsin Avenue between 34th Street and Calvert Street and restore the ability to park on the street in the morning as it was prior to 2012.

BE IT FURTHER RESOLVED that the Chairman who is Commissioner of ANC3B02 or her designees are authorized to represent the Commission on this matter.

This Resolution was APPROVED by a vote of 4-0 at a duly noticed public meeting of ANC3B on Thursday, September 10, 2015, at which a quorum was present. (A quorum is 3 of the 5 members.)
