Discussion with WMATA staff on proposed changes in bus service affecting ANC3B

In December WMATA's draft FY2021 budget included elimination of 30S, 30N, 37, and D1 Metrobus service and consolidation of the D2 with G2 (LeDroit Park-P Street Georgetown). The WMATA Board has asked for more time to review the proposals and will be meeting again in January to consider what fare and service changes to put forward for public hearings. WMATA staff will discuss with ANC3B residents the proposed changes, share data and criteria used to make the recommendations, and take questions.
