Police Report

Old Business

[Tentative] Postponed from February: Zoning Variance Request, 3929 Fulton St. The one-family property is being redesigned to accommodate two families, which triggers a zoning issue about parking. Currently there is no onsite parking or driveway. The owners are seeking relief from a requirement to provide at least one parking spot, which would require creating a curb cut for a driveway.

New Business

Resolution Opposing WMATA's Threatened Cuts to Bus and Metro Lines. WMATA opened a comment period in mid-February which ends Tuesday March 5 during which time people are asked to tell WMATA what they think about its plan to cut much of its service to the DMV, including the elimination of the D2 that serves Glover Park and the loss of weekend service on all the N buses that service Cathedral Heights and Wesley Heights. The proposed changes for FY25 can be found here: <https://wmata.com/initiatives/budget/Proposed-Changes.cfm>. The changes are what would happen if sufficient funding is not allocated by the District, Maryland and Virginia. If you care about saving our bus lines, please comment by COB Tuesday March 5 at: <https://wmata.questionpro.com/a/TakeSurvey?tt=rHO2gutFWB8ECHrPeIW9eQ%3D%3D>

Resolution in Support of Funding for the District's Village Programs. The DC Villages Collaborative (DCVC) is a network of 13 nonprofit, independent, and volunteer-driven Villages across the District of Columbia. Together, the Villages share resources, coordinate access to city-wide programs and services, and use their network of volunteers to provide critical assistance to older adults in our communities. The work of Villages is funded through membership fees, charitable donations, and bequests, but the largest source of funding is from grants from foundations and the District Department on Aging and Community Life. We will be asking for the budget to be increased so that the Villages can meet the needs of aging populations throughout the District and specifically in Glover Park.
