Ms. Betty Hester
Department of Parks and Recreation
1250 U Street NW
Washington, DC 20009

Dear Ms. Hester:

On behalf of ANC 3B, I would like to thank the Department of Parks and Recreation for its longtime support of Glover Park Day. This annual event, now in its 30th year, could not happen without the cooperation of the District government.

I am writing to advise you that Advisory Neighborhood Commission 3B has once again voted its full support for Glover Park Day to be held on Saturday, June 1, at Guy Mason Recreation Center. Further, ANC3 B endorses the sponsorship of Glover Park Day by the Glover Park Citizens' Association, Friends of Guy Mason, and Friends of Glover Park, and the D.C. Department of Parks and Recreation.

Each of the neighborhood sponsoring organizations operates on a non-profit status and is staffed by volunteers. All three make many valuable contributions to the quality of life and civic engagement in Glover Park. Friends of Guy Mason partners with the District to maintain and support the playground, ball field and activities at Guy Mason Recreation Center. Friends of Glover Park helps support local projects and activities that benefit the entire community. The Glover Park Citizens' Association was founded in 1932 as a membership organization for the improvement of the community. For nearly 30 years, all have worked together with DPR to sponsor Glover Park Day.

We appreciate the support and sponsorship of DPR. Please feel free to contact me with any questions or concerns. Thank you.

Sincerely,
