Police Report. Lt. Johnson reported that there were 21 crimes in the past 30-day period, compared to 18 for the same period last year. They included 1 armed carjacking, 2 burglaries, 3 thefts from auto and 15 general thefts. The carjacking was on December 1st. An Amazon driver was robbed at gun point and his vehicle was stolen. One burglary happened at Point Chaud, the other was an unlocked apartment in the 2700 block of Wisconsin Avenue. Lt Johnson reminded everyone that this is the prime season for “porch pirates” and that there are Amazon lockers at Second District headquarters. He also announced there will be a community walk starting at 3900 Tunlaw Road at 6:30 pm on Monday, December 23rd. That area has experienced an uptick in thefts from autos.

A resident asked about enforcement of two-wheeled vehicles and scooters. He responded that there is a citywide initiative to crack down on dangerous driving by these vehicles. A special operations division is aggressively arresting these offenders and confiscating their vehicles. Regular patrol officers also enforce scooter laws but they are not allowed to pursue them.

- A resident asked about the status of the intersection of Fulton Street and Wisconsin Avenue where ANC 3B had requested that some parking spaces nearest the intersection be removed to improve sight lines and safety. Commissioner Lavezzo said that DDOT has the request but that they are months behind on doing traffic safety investigations and have not yet responded to 3B’s
