GLOVER PARK AND CATHEDRAL HEIGHTS

ANC – 3B Minutes
Thursday, June 10, 2010 7 p.m.
Stoddert Elementary School
Temporary School Building at 39th and Calvert Streets, NW

A quorum was established and the meeting was called to order at 7:03 p.m. at the Temporary Stoddert School building. Commissioner Lane, Chair, asked if there were any changes to the agenda. Grant Requests from Friends of Glover Park, Stoddert PTA and Healthy Living were moved up in the agenda to be before Old Business. A motion to accept the amended agenda was made, seconded and passed 4-0. Commissioners in attendance:

3B01 – Cathy Fiorillo
3B02 – Jackie Blumenthal
3B03 – Melissa Lane
3B04 – Horace Kreitzman, absent
3B05 – Brian Cohen

2nd DISTRICT POLICE REPORT

Sergeant Jeff Toliver, 240-375-3388, gave the report. He mentioned that thefts were up. Commissioner Blumenthal reported that the police report listed recent thefts from Hall Place and 37th Street. Sgt. Toliver checked into it and said that it was thefts of bicycles from porches and yards. Everyone was reminded to lock up everything of value.

NEW BUSINESS

Grant Request from Friends of Glover Park. Molly Evans from Friends of Glover Park presented a request for a tribute to the former co-op teacher, Beth Rynex, at the renovated Stoddert School. Commissioners Cohen and Fiorillo recused themselves. A motion was made to approve the grant request of $1,000. The motion was moved and properly seconded. The request was approved by unanimous consent of the remaining commissioners (2-0).

Grant Request from Stoddert PTA. Mary McClaughlin, Stoddert PTA Co-President, requested a $2,000 grant for books and magazines for the new Stoddert library. A motion was made to support the request. It was properly seconded and passed unanimously.

Grant Request from Healthy Living Inc. Juliette G. Tahar, President of Healthy Living Inc. presented a grant request for $600 for her on-going Healthy Snack Program at the Boys and Girls Club of Greater American Summer Camp offered at Jelleff Branch, 3265 S. Street, NW. This is Ms. Tahar's second year teaching about healthy snacks at the Jelleff camp and her second request for a grant. Money this year will be used to cover educational posters, napkins, plates, bowls, cutlery and children's aprons. A motion was made to support the grant request. It was properly seconded and passed unanimously.

OLD BUSINESS

Resolution Regarding Streetcars in Glover Park. Commissioner Brian Cohen introduced an ANC Resolution requesting a study of a Wisconsin Avenue Streetcar Extension to Tenleytown and Friendship Heights. This resolution only requests a study and does not take a position in support or against installation of streetcars in Glover Park. After a lot of discussion, a motion was made to approve the resolution. It was properly seconded and passed unanimously.

Community resident Alan Carpian wanted it recorded in these minutes that he is "adamantly against the ill founded passing of this resolution". Even though it is only a study, Mr. Carpian believes that the money used to conduct this study is wasteful and could be more beneficial if use elsewhere.

Community member, Juliette Tahar wanted it recorded that she was in disagreement with Mr. Carpian and that she supports the idea of streetcars along Wisconsin Avenue.

Discussion of Visitor Parking Pass Pilot. Mr. Damon Harvey, phone 202-671-0493, damon.harvey@dc.gov, DC Department of Transportation, will speak at the July ANC meeting about extending the Visitor Parking Pass field test for another year. Currently the Parking Pass test is due to expire on July 31, 2010.

Liquor License Renewal Requests. The following liquor licenses are up for renewal:

- Kavanagh's Pizza Pub, 2400 Wisconsin
- Blue Ridge, 2340-46 Wisconsin
- Town Hall, 2218 Wisconsin
- Bourbon, 2348 Wisconsin
- Breadsoda, 2233 Wisconsin
- Holiday Inn, 2101 Wisconsin
- Heritage India, 2400 Wisconsin

A motion was made to recommend the approval for renewal of six of the liquor licenses as a group (Blue Ridge was treated separately). This motion was properly seconded and passed unanimously.

Blue Ridge is currently operating under the voluntary agreement that was worked out with the previous establishment, Busara. Blue Ridge would like to open a "beer garden" in the enclosed patio area in the back of the restaurant and on the deck that is open later than midnight. This would require a change in the voluntary agreement. This and any other changes that they may want have not yet been negotiated yet with ANC 3B. Since their liquor license is up for renewal, rather than protest the license while changes are being worked out in the VA, Commissioner Blumenthal proposed a motion to approve their renewal under the current voluntary agreement and negotiate and subsequently vote on a new VA at a later date. The motion was seconded and passed unanimously.

OPEN FORUM

- Sara Green, a commissioner in ANC 4B (near Walter Reed and the Montgomery County Line along Georgia Avenue), asked that our ANC pass a resolution requiring that ANC's be given "great weight" in voting on licenses being granted to pawn shops. Ms. Green believes the city needs legislation to require pawn shop licenses to go through a similar process to liquor licenses. Ms. Green would like to see the interest rate capped at 24%. Today it is 60% in the district. (N.B.: In Boston the cap is 36%, in New Jersey it is 44%). Ms. Green would like people to comment upon proposed legislation regarding DC Pawn Shops and their operations by July 2, 2010. For more information on this, visit her web site at http://ancsaragreen.org/

- Pat Clark, President of GPCA, would like a letter of support for the proposed Glover Park signs to be installed on the triangle at Calvert, Wisconsin and 37th Streets and the southern end of Glover Park to include in the request for permits package being put together by Jarrett Ferrier. Commissioner Lane said she would write a letter of support.

- Jim Lively brought up the topic of possibly changing ANC boundaries now that the Census is being completed. Every ten years, the city considers moving Glover Park into Ward 2 from Ward 3. If anyone would like to comment they should e-mail their thoughts to the ANC 3B.

ANC 3B Resolution

Requesting a Study of a Wisconsin Avenue Streetcar Extension to Tenley and Friendship Heights

WHEREAS Streetcars were the predominant form of mass transportation in the District of Columbia from 1862-1962 during which time Wisconsin Avenue was created and developed as a Streetcar line; and

WHEREAS modern streetcars are quieter, more energy efficient, have a more efficient carbon footprint and a greater capacity than traditional buses, and

WHEREAS the current Metro underground rail system is expected to be near capacity and "unmanageable" by 2013; and

WHEREAS Streetcars reduce short auto-based trips, and mitigate parking, automobile traffic issues, and air pollution; and

WHEREAS the Streetcar system will link neighborhoods and communities within the District and have been demonstrated to attract and retain a new generation of mass transit users; and

WHEREAS there is no direct Metro rail line on Wisconsin Avenue between Georgetown and Tenley, and the community of Glover Park, the most densely populated neighborhood within this corridor, has no Metro rail line within walking distance; and

WHEREAS streetcar service is expected to commence in other parts of the District of Columbia in 2012,

THEREFORE BE IT RESOLVED that ANC 3B supports the concept of a streetcar system and requests that the DC Department of Transportation and the DC Office of Planning study the extension of the K Street/Benning Road "Red" Streetcar line north along the WisconsinAvenue Corridor to Tenley and Friendship Heights during the next phase of streetcar planning.

BE IT ALSO RESOLVED that the Chair and the Commissioner for SMD 05, or their designees, are authorized to represent ANC 3B on this matter.

The resolution was approved by a vote of 4-0 on June 10, 2010.

Friend of Glover Park
3851 Calvert St., NW
Washington, DC 20007

Dear Commissioner Cohen,

Friends of Glover Park (FoGP) would like to honor Ms. Beth Rynex in the new Co-operative Play School run by DPR in the new Stoddert Rec Center.
Please consider our request as described below. Ms. Molly Evans would like to be present at the June 10, ANC 3B meeting to request funding for this project.

Please let me know if you are able to put this request on the schedule and that Ms. Evans should attend the meeting.

Sincerely,

Sue Lohsen
Co-Chair, Friends of Glover Park

ANC 3B GRANT REQUEST
Submitted for consideration at the June ANC meeting

A) ORGANIZATION REQUESTING GRANT: FRIENDS OF GLOVER PARK

Friend of Glover Park is the "Friends of" group for Stoddert Rec Center. It has been a non-profit since 2001. It was instrumental in convincing the District to renovate the school and Stoddert Field house. Along with this major focus, it was the impetus behind the renovation of the call boxes in Glover Park and always has a presence at Glover Park Day as well as sponsoring the Glover Park Toys for Tots Holiday Party in December. It seeks to support all worthwhile projects at the new Stoddert Rec Center that fall outside the district's budget.

B) DESCRIPTION OF PROPOSED PROJECT

Ms. Elizabeth Rynex (known to the children as "Miss Beth") worked for the Cooperative Play Program at the Stoddert Recreation Center for close to thirty years. Ms. Rynex was a much beloved member of our Glover Park community, having taught a whole generation of children. She was a wonderful teacher. The children loved her. Her generous spirit, love of celebration, and dedication to her work shone through in everything she did with the kids. Ms. Rynex sadly passed away from complications of brain cancer in November 2009.

Ms. Rynex made the most of the tiny and worn out structure that was the old Rec Center. She was very much looking forward to moving into the beautiful new classroom and tot lot that is currently being constructed. She had big dreams for that space, and it is a great sorrow that she was not able to enjoy it. On behalf of the many former parents and friends of Ms. Rynex, we have proposed to the Department of Parks and Recreation that the new classroom be formally dedicated to her memory.

We would like to install a permanent bronze plaque in or near the new classroom to be dedicated at a ceremony to which we could invite parents, children and friends as well as her colleagues from DPR, the Mayor, and Ms. Rynex's large and loving family. In addition, we would like to make a donation in her memory of preschool quality tricycles and other outdoor toys to the coop classroom after it opens in the fall. DPR is aware of and has approved our project, but stipulated that we would be responsible for the funding and installation of the plaque.

C) EXPECTED PUBLIC BENEFITS

The equipment donation will benefit preschool students attending the co-op in the 2010-11 school year and many years to come. The memorial is a tribute to Ms. Rynex's decades of service to ANC3B as a teacher, and friend to her Glover Park students and teachers.

D) TOTAL FUNDS REQUESTED FROM ANC 3B

Cast bronze plaque (approximate cost) $700
Installation $100
Preschool quality tricycles (5 at $100 each) $500
Total cost of project: $1,300
Funding commitment from Stoddert PTA: $300
Funds requested from ANC 3B: $1,000

E) TIMELINE

We would like to schedule a dedication ceremony to be held the first week in September 2011.

ANC 3B Grant Application
Attachment A: Program Description

The **Teaching Healthy Snack Program is** part of **the Boys and Girls Club of Greater America (B&GCGA) Summer Camp** that is offered at the **Frank Jelleff Branch** at 3265 S Street NW **from June 21 to August 20th, 2010**

This program is a continuation of **an on-going Healthy Snack Program (HSP)** that Ms. Tahar, Healthy Living Inc. founder started in January 2009. As in the past, this program runs every Wednesday from 4 to 5 pm, and **during Jelleff annual summer camp.** While the program serves up to 35 children during the school year, in the summer, the program serves up to 100 children and is offered twice a week.

The Healthy Snack Program is offered to all DC children, including the children of Ward 3. The only requirement is that children become members of the B&GCGA (a $25 registration fee), for insurance issues. **Numerous Children who reside in the ANC3B quadrant attend Jelleff both during the school year and at the summer camp.**

The HSP teaches children how to make healthy snacks using a variety of fresh produce, whole grains, vegetarian and lean meats. In the summer, we will also implements the Boys and Girls' Club own "Healthy Habits" curriculum, "Triple Play", which aims to build healthy eating awareness in children 5 to 14.

Children work in team, learn basic kitchen etiquette and basic cooking skills. They also learn about food culture and cultivation. Other learning experiences include a visit to Whole Foods produce department as well as a visit to a local restaurant kitchen.

By supporting Healthy Living Healthy Snack Program, the ANC3B is supporting **community service**. In addition, by supporting the HSP, the ANC3B demonstrates **support for the current public awareness campaign that encourages children to develop healthy behaviors patterns**, making them aware that even at a young age, eating healthy has an impact on their health.

This year, the HSP at Jelleff Branch Summer Camp is again sponsored by Whole Foods, which is donating the class ingredients; funding from the Blooming Prairie Foundation, which recently awarded a grant to HL for healthy eating community programs; and funding by HL.

Ms. Tahar is asking the ANC3B for a grant of **$600** towards the HSP. The grant will be spent for aprons and paper chef's hats for the children, educational material such as posters, paper supplies such as plates, napkins and plastic utensils, which will be used to serve the snacks. These items will use for the sole purpose of the Healthy Snack Program at the Frank Jelleff Branch and will be kept there as well.

Thank you for your time and consideration,
Juliette G. Tahar
President, Healthy Living Inc.

Attachment C: Performance Review Plan

This year, Healthy Living experiential cooking program is paired with Boys and Girls Club of America own "Healthy Habits" program guide. The program guide follows a strict curriculum that teaches children about the USDA food pyramid, with pre- and post class lesson plans. Children also will be asked to keep a food journal of food they learn about and write about their healthy habits experience during the duration of the camp.

Stoddert ES Summer Camp 2010 – ANC3B Grant Request

April 19, 2010

Dear ANC3B Commissioners of Glover Park/Cathedral Heights,

DCPS Stoddert Elementary School plans to hosts a local summer camp program from the end of June to mid August, 2010. Camp hours will be from Monday – Friday, 8am-6pm during the pre/during/post work hours for local Stoddert ES families/children from the ages 5-11yrs old. The goal of summer camp is to keep our local neighborhood school students engaged with exciting, educational, and positive opportunities during the summer for those parents that are active in the workforce. In past years, the camp hosts approx. 25-30 campers per week. This is the maximum camp size due to our historical space issues either at the old school setting or while being a guest at another off-site facility.

This specific grant campaign is aimed at providing camp participants and camp counselors, funds that can assist with the costs of public transportation (bus tokens) to DPR Ward 3 Volta Park Pool, to local trips in WDC area, as well as to purchase some new crafts for the summer camp Arts/Crafts program. Our goal for the grant request it to keep the costs of the program at a reasonable rate for all campers. Our current camp rate per child/week will remain at $200 per week from 9am-4pm. Our upfront costs include rent for space at St. Luke's Church, DPR Volta Pool fee, METRO Tokens, and the creative Arts/Crafts projects. We feel this request for grant funding is a visible way for Glover Park/Cathedral Heights Citizens to give back to the neighborhood to support our local children/families over the critical summer months.

The Stoddert ES Summer Camp 2010 Counselors' hope this written grant request will be reviewed at the May 2010 ANC 3B meeting. If available, the request for $2,000 this summer (2010) will go towards:

Two day a week, round-trip scheduled DPR pool activities on the METRO BUS 30 line up and down Wisconsin Ave route from Calvert Street to Q Street. This scheduled Volta Park pool activity will be for the seven weeks of the program.

Examples of past summer trips include - Old Stone House, C&O Canal, National Zoo, Bowling Alley, Georgetown movie theater, Aquarium in DC, and if possible special arranged trips to the Science Museum in Baltimore, and Mount Vernon in VA.

Please see the enclosed camp brochure.

Thank you for considering this opportunity,
